## **W**

**Water and Sewer Service.** San Antonio Water System (SAWS) provides water and sewer service to the City of Helotes. Should you require water or sewer service, please contact SAWS at (210) 704-7297.

In addition, many residents utilize private wells and septic systems on their properties. Permits for private water wells may be obtained through SAWS. Permits for private septic systems may be obtained through Bexar County Public Works at (210) 465-9004.

**Website.** The City of Helotes maintains a website dedicated to city governance and services. The City website may be located at [www.helotes-tx.gov](http://www.helotes-tx.gov).

The City website contains a variety of information, including meeting agendas, City ordinances, and additional community information.

Additionally, the website allows residents the opportunity to communicate with City staff and officials through email.
